

Vacation Bible School at Westby United Methodist Church

Vacation Bible School at Westby UMC has been a tradition of fun and faith for kids for more than 30 years. The event is now held on three Sunday evenings in the summer. There is a light supper to start with and everyone in the family welcome, then VBS follows. We fill each evening with awesome worship songs, team-building games, Bible adventures, and crafts with the purpose of serving others.

Kids age 3 through 103 are invited! Kids younger than age 3 are welcome with a parent or family member to supervise. Everything is hands-on with a focus on serving others and God's amazing love for each of us. Through the VBS ministry, we make every effort to plant some seeds for God to grow and harvest.
