

Squares & Prayers

The Retreat Crafter's Group met for another day of crafting fun on the third Saturday of October. There was plenty of fun and fellowship had by those in attendance. One of the focal points of the day was the unveiling of a "fire quilt" (shown in these images). The blocks of this quilt were prayerfully sewn together by various ladies in the group over the summer and then brought together and formed into a quilt by one of the group's own. The "fire quilt" was then shown off the next day during worship and will be donated to a local family in need of comfort during troubling times, whether it be from natural disasters, home fires, loss of a loved one, so on and so forth.

The group also created two blessing baskets that day. One basket was hand delivered to a new family who recently moved into the area to welcome them to our community. It is a great way to get to meet your new neighbors! The other basket was created to welcome a new baby in a family. Each basket featured various items donated by members of the group and a handmade card created at one of the previous group meetings.

It was a great day with much fun and laughter. The group invites everyone to come and partake in their crafty adventures! Keep an eye on the Driftless Ministry calendar or check out the "Shine!" newsletter to find out when they'll be meeting next!
