

2017 Women of Faith Christmas Luncheon

Women of Faith sponsored their annual Christmas party at Borgen's Cafe on December 5, 2017. It was a great time filled with games, prizes and fellowship. People from the four Driftless Ministry Churches (Faith, New Hope, Retreat and Westby) and friends attended. We had 21 people in attendance including 3 birthday gals. We sang the "Happy Birthday" song to help them celebrate. The annual Christmas party tradition started around the year 2000 and has always been a time of fellowship and laughter. The oldest Women of Faith member, Ann Pierce, helped start the tradition and has attended every event. Ann was given a "giving plate" for her faithfulness and loyalty to the Faith Church and its members. For the last three years, Women of Faith have asked each attendee to donate \$10 (or whatever God leads them to) towards the food baskets Faith gives out to needy families at Christmas. We do this instead of exchanging gifts and this year we collected nearly \$400 toward the baskets. God is good!
