

## *Holiday Giving*

Each year, the Women of Faith raise money for their Holiday Giving project. Through this project, they purchase food to distribute to area families and also try to give monetary gifts to a few people in the area to help with some special needs. This year, approximately \$4,400 was raised for the Holiday Giving project.

The Women of Faith members, Jean Hass and Marla Lavold and their faithful helper, Dwayne Lavold shopped for the food for the families. Marla, Dwayne, Jean, Mary Forde and Tammy Willis delivered baskets to six families; three families in LaFarge, one family in Bloomingdale, one family in Westby, and one family in rural Cashton. It is always a joy to deliver a basket to a family in need and share God's love with them and this year was no exception.

In addition to the food baskets, this Christmas season, the Women of Faith gave monetary gifts to three college students to help with college expenses, a monetary gift to a high school special education student which will be used towards buying a new computer, and monetary gifts to two families to help with medical expenses.

God is good! Thank you to everyone who helped with the fundraising for this project so we can share God's goodness with others.
