Syttende Mai Parade

On Sunday, May 20, 2018, a few members of the Westby United Methodist Church participated in the Westby Syttende Mai Parade on behalf of the church. This is the second year we have walked the parade route. We decided to participate in the parade as a way to reach out to the community and let them know we're in town.

This year we handed out fruit snacks using a "Fruits of the Spirit" theme. It was a chilly parade, but God answered our prayers and it didn't rain during the parade.
