All Churches of Driftless Regional Ministry

Joint Worship Service

On Sunday, June 10, all the churches of the Driftless Regional Ministry joined together for a joint worship service at Eckhart Park in Viroqua, Wisconsin. Despite the dreary weather, 40 people came to worship together as one family on this morning. Pastor Jim's message was about family life and being adopted into God's family. The Driftless Regional Ministry has separate parts, but we function as one body under Christ.
