Driftless Regional Ministry Picnic

On Sunday, June 10<sup>th</sup> after a joint worship service, members of the Driftless Regional Ministry churches gathered for a potluck picnic and time of fellowship. Even though we didn't have any sunshine for our picnic, we were still able to enjoy sharing a meal together.

This event was a celebration of two years of our churches being joined together under the umbrella of the Driftless Regional Ministry. We also showed our thanks to Pastor Jim Aniol and his wife Christy for all that they have done for us. We presented Pastor Jim and Christy with a poster that was signed by members of all four churches. Ardith Hoff entertained us with a story about faith and pastors walking on water.
