With a Love of God & Crafting

Several times throughout the year, some very creative members and friends of the Retreat UMC come together to work on various craft projects. These wonderful works of art that they create are typically used for mission work or some other church-related activity.

On August 18th, these crafty people came together again for another day of fun, fellowship, and creativity. This time, they showed off the completed quilt created for a raffle to be held at the Fall Turkey Bazaar. They also spent time tying another quilt put together for a future mission.

Everyone is welcome to join the group for their next gathering. To see when they're meeting again, check out our [community calendar](#) page!
