Exploring the Fruits of the Spirit at VBS!

In early August, Farmville VBS was held at the New Hope UMC! The kids who attended dug deep and explored the Fruits of the Spirit that God gives to each and every one of us. The group may have been small, but the excitement was huge as each new activity brought fun and adventure. The group even had a visit from a couple of goats! The kids sure had fun with the animals and really enjoyed giving the friendly critters a treat. To cap off the VBS week, the group had a program to show everyone what they had learned and also planted two apple trees outside of the New Hope UMC from which everyone will be able to enjoy more of God's creation!

Many thanks to all of the volunteers, teachers, and everyone who helped to make this year's VBS program a blast. And thank you to all of the parents out there for bringing your children to learn about God & His love for them at VBS! Be sure to tell others about the program and we hope to see you again next year!

But the fruit of the Spirit is
love, joy, peace, longsuffering,
gentleness, goodness, faith,
meekness, temperance....

GALATIANS 5:22-23
