Brat Fry & Corn Roast

The people of the Retreat UMC loves bringing the community together for times of fellowship! On Sunday, August 12th, the church family hosted a brat fry and corn roast for the community to reunite and enjoy some quality time together while sinking their teeth into some deliciously grilled food! A huge thank you goes out to everyone who volunteered at the event and also to those who came out to spend time with friends and neighbors! It was a good day and we are in the process of making next year even better!
