

Driftless Regional Ministries
Retreat United Methodist Church

October Community Breakfast

Every year, the Retreat UMC family hosts multiple community breakfasts to bring area residents together for a time of fellowship with one another. The church offers members of the community a delicious and FREE breakfast to enjoy while they reconnect and build relational bonds.

While the meal is completely free, many members of the community still feel compelled to give a donation. While the church never intended for these events to be a fundraiser, any donations collected are gladly accepted and sent to the local food pantry. This allows our friends and neighbors to help other neighbors in need! It is a win-win for the community!
