Meatball & Lefse Supper

The New Hope United Methodist Church hosts a traditional meatball and lefse supper every autumn. This year, the church family came together on October 11th to put on another delicious meal for the community with plenty of people saying "Uff da" afterwards from eating too much! Many people offered their compliments to the chefs for the great meal and everyone enjoyed amazing fellowship! If you're in the area next fall, mark your calendars and swing into the New Hope UMC for an amazing meal!
