Operation Christmas Child

Each year the Westby United Methodist Church packs gift boxes for Operation Christmas Child (<https://www.samaritanspurse.org/what-we-do/operation-christmas-child/>) as one of our yearly mission projects. This mission allows the Sunday school youth and the congregation to work together in sharing God's love and spreading the Christmas spirit to others who are in need. Items for the gift boxes and the shipping costs are provided through donations. The Sunday school youth wrote letters and colored a small card for the recipients of the boxes. After the boxes were packed, the congregation prayed over them and asked God to bless the recipients. This year, 15 boxes were sent off for this project.
