Christmas Caroling

One of the Christmas traditions at Westby UMC is to go Christmas caroling to the area senior centers in town. This year our carolers sang Christmas carols up and down the hallways, and in the main areas at Norseland Nursing Home, Friendship House, Old Times Assisted Living Center, and Halvorsen Apartments. We visited with some of the residents and gave them a small Christmas ornament. We also stopped and serenaded some of our congregation members at their homes. It was very enjoyable, especially when the residents would sing the Christmas carols with us! After caroling, we met back at the church to enjoy a chili supper. Making a joyful noise unto our Lord at Christmastime is fun.
