Fellowship Family Brunch

This year, the Westby UMC wanted to have some type of special gathering on the day of the Sunday School Christmas program, so we decided to have a family brunch during our fellowship time before the worship service. All the families of the Sunday school students and the congregation were invited. Those who attended enjoyed a crockpot breakfast casserole, quick breads and milk or coffee, in addition to being able to visit with others. Everyone seemed to enjoy their meal and the time spent together.
