

In-Person Worship Services for Viroqua UMC have been discontinued for now. The decision to pause has been made because of increased level of coronavirus activity in our area, and a recommendation by Bishop Jung supported by our task force.

The COVID-19 task force plans to provide an update on or about December 3, 2020.

Please continue to worship with us by radio or Facebook Live.

We pray that all of our church family continues to take measures to stay safe and to reach out and support each other.
