

## **Driftless Regional Ministry Westby United Methodist Church**

---

Dear Church Family,

Based upon the recommendations of Bishop Jung and Governor Evers, we believe it would be prudent to postpone in-person services moving forward commencing immediately. We realize we are a small gathering, but *ALL Gatherings* have been requested to be put on hold. Considering our average age is in the high-risk category, continuing to have in-person services is potentially dangerous to all of us.
